

DINE ALONG THE RIVER

Historically, major hotel-casinos featured "gourmet rooms" in order to cater to high rollers' tastes. Each restaurant created an ambiance designed to transport diners to a world far away from the action of the casinos. In Laughlin, these restaurants are not only alive and well, but you don't have to be a high roller to enjoy them. While in Laughlin, make sure to check out these gourmet rooms and fine dining options.

The Aquarius' **Aqua Bella** is an experience of exquisite Italian cuisine and casual elegance. Guests of Aqua Bella enjoy succulent lamb, beef and seafood selections with a breathtaking view of the Colorado River.
